About CIEL

Ciel Aviation Academy is a leading training institute for aspiring cabin crew and airport ground staff. With experience in providing top-notch training programs, we aim to produce the finest Aviation professionals in the industry. Our team of highly qualified and experienced instructors strive to provide the best learning experience for our students.

Our 90-day training program covers all the essential skills required for a successful career in the aviation industry. From Inflight, customer service, first aid, and emergency procedures to airport operations, our students receive comprehensive training in all aspects of the job. Our state-of-the-art facilities and modern equipment ensure that our students receive hands-on training that is both practical and realistic.

At Ciel Aviation Academy, we are proud to have a strong placement record with various airlines across India. Our students are highly sought after by top airlines and are well-equipped to excel in their careers. Our comprehensive training program, combined with our focus on personal development, ensures that our students are well-rounded and confident professionals who are ready to face any challenge that comes their way.

So, if you are looking for a career in the aviation industry, look no further than Ciel Aviation Academy. Join us today and take the first step towards a successful and rewarding career in the skies.
